ONLY ONE DEATH HAS OCCURRED IN ORPHANAGE POPULATION IN 12 YEARS

Last Month Marked Another Year In Which There Was No Fatal Illness

NONE IN PAST FIVE

Only Death Since July, 1926, Happened in June, 1933.

Another twelve months have gone by, and another year has been completed without a death occurring among the large Orphanage family at Barium. This means that there has been only one death among the average enrollment of 325 children in the past 12 years, and no death in this Barium family of children in the last five years.

The only death since July, 1933, was that of Harvey Lee Wilson, who died in the early part of June, 1933. He was stricken with a malady that is generally fatal and died after only three days' illness.

It is believed that doctors everywhere will marvel at the record that has been made at Barium. It is recalled that one doctor found difficulty three years ago in giving credence to the statement that there had been but a single death in a span of nine years, and his credulity will be taxed all the more today because of the announcement of only one death in 12 years.

It is seriously doubtful that any community, with an average child population of 325 children in a dozen years, could claim such a record as has been made at Barium Springs. The population here has successfully weathered that large number of children's diseases, some of which are fatal in youth. There have been plenty of serious operations, too, but they have come through satisfactorily.

Many factors have contributed to this phenomenal health record, among which can be named: wholesome food, plenty of milk, regularity of hours, bodily exercise, splendid and painstaking health supervision locally and by physicians and surgeons in Statesville, precautionary and preventive measures such as inoculations, vaccinations, etc., and exhaustive and annual medical examinations each January.

This record shows human skill and care, and it also shows that God has been a watchful Father over this big family of boys and girls in the Presbyterian Orphans' Home at Barium Springs.

1938 FOOTBALL SEASON WILL SOON BE UNDER WAY

Barium's Varsity Eleven Faces Difficult 11-Game Schedule.—Three at Night

Well! Well! Here it is almost time for school to commence, and then the football season will be right square on top of us. Footballs have been carefully locked up all year but that hasn't kept our minds from playing with the idea and the possibilities this fall. Our school starts September 1st, and the day before, August 31st, football practice will start.

We'll have just a short two weeks before the first game and that engagement will be with a new foe - Morganton. Morganton plays Barium Springs as an opener and the following week plays Children's Home, and that means Barium Springs will have to prove everything it gets in that game. The game will be at night and played at Morganton, September 16th.

On the following Thursday night, September 22nd, at Charlotte, the annual classic between Barium and Charlotte will take place. This will be in the Charlotte stadium and should have all the thrills of an opening game. Charlotte will have a line on Barium, for she will know the results of the Morganton-Barium contest, but Barium will not have a line on Charlotte. Which, maybe, is just as well.

On September 30th, in the afternoon, Barium will take on Salisbury at Salisbury. None of these three games are South Piedmont conference games. Morganton belongs to the Western Conference, Charlotte and Salisbury to Class A. After that, however, Barium will get down to her Conference knitting, and will, take on the three strongest teams in the Conference in a row. On October 7th, the Children's Home will play at Barium; on the 14th, Lexington at Lexington, and on the 21st, Kannapolis at Barium. Then Barium will leave off conference foes for two mixups. October 28th, she will play Gastonia at Gastonia in a night tussle, then November 4th,

SCHOOL WILL START AT BARIUM SEPTEMBER 1ST

School days - those dear old golden days - are creeping up fast and in less than two weeks after readers receive this August copy of The Messenger the Barium boys and girls will have assembled for the 1938-1939 scholastic session. R. G. Calhoun, principal of the school at the Orphanage, has notified teachers that the opening will be on Thursday, September 1st, and there will be a meeting of the 1938-1939 corps of instructors the day before.

The enrollment at Barium will be in the neighborhood of 300 children this coming year, for there are quite a few boys and girls at the Baby Cottage who aren't six years of age, and who will not trek to the primary school building on September 1st. A half dozen children of the Orphanage workers will also be enrolled.

Elsewhere in this issue of The Messenger is given information about the changes in the personnel of the Orphanage staff, and in that of the teaching force. Those who will instruct this coming year, and the grades or subjects they will teach are as follows:

Grammar Grades

First grade—Miss Theoria Straughn, of East Spencer.

Second—Miss Sadie Brandon, of Yadkinville.

Third—Miss Elizabeth McKeithan, of Fayetteville.

Fourth—Miss Margaret Bell, of Decatur, Ga.

Fifth—Miss Gladys Burroughs,

Two Or More?

Do you get more than one copy of The Barium Messenger in your home? If so, won't you please use one of Uncle Sam's postal cards and notify the Orphanage to that effect? The extra name will be promptly deleted from the mailing roster of The Messenger. Please designate which name to eliminate in case the paper reaches your home under two separate names.

SEVERAL CHANGES IN PERSONNEL OF STAFF AT BARIUM SPRINGS

Four Changes in Regular Corps of Workers at Orphanage.—One Addition

TWO IN SCHOOLS

New Grammar School Principal and New Domestic Science Teacher

Every year at the beginning of school we expect to see a number of new faces among the children, and by the same token we miss a lot of the faces that have been regular members of our faculty for years past.

The same way, but to a lesser extent, we observe changes in the staff. This year, among the workers in the various cottages, we will miss Miss Kate McGoogan, Mrs. Eola McGirt, Miss Una L. Moore and Miss Maude Inman. Miss McGoogan died during the last school year, and her cottage is now being presided over by Mrs. John Q. Holton. We do not need to introduce Mrs. Holton, as she has been the seventh grade teacher here at Barium through two generations of Orphanage children. She is making a most acceptable Annie Louise matron. The Baby Cottage: Mrs. McGirt has had to drop her work for a time and has been succeeded by Mrs. M. D. Southerland. A number of years ago Mrs. Southerland was Lee's Cottage matron, and comes back to us to work in the Baby Cottage just as young, just as agreeable, and just as efficient as she was years ago at Lee's. Mrs. T. L. O'Kelly will continue as a most satisfactory assistant at the Baby Cottage.

In the Infirmary the dean of all the Orphanage workers has left: Miss Una L. Moore. We won't attempt to tell her age, because she still reads The Messenger, although 'way out in Nebraska, and she doesn't begin to look or act her years. Miss Moore has been head of the Infirmary for many years and before that she saw service at the Baby Cottage and Alexander Cottage, and very few people who have ever been at Barium fail to get to know Miss Moore. She had a most wonderful record in her work. One case of pneumonia developed during her services at the Infirmary, and we do not know of any appendix that really got loose and did serious damage while she occupied the watch tower. Being nurse at Barium Springs doesn't appear to be a very heroic job, and yet there are men and women living today who might not be living, had it not been for her always efficient, faithful services. Miss Moore is succeeded by Mrs. Mary McNatt, who has been with us as a general substitute for more than a year. Mrs. McNatt came to us from Pineland College where she had done similar work to that she is doing here. She has a big job to fill, but she is doing it efficiently.

Up in the kitchen, the power house of the place, there is one change. Miss Maude Inman has left to take work nearer home. She is doing this because of her mother's ill health and her desire to be nearer her. Mrs. Dot Marshall is taking her place. She is well-known at Barium, having done substitute work here before. Her sister, Miss Mary Turner, is the regular matron at Lee's Cottage.

An additional member to the staff at Barium Springs, is Lucille Burney, who is doing stenographic work in the office of Ernest Milton, Treasurer. She finished at the Orphanage in the Class of 1937, and took a one-year business course at Kings Business College in Charlotte. After finishing her training in April, she came to Barium, worked gratis for a while for the experience, and became a paid member of the staff after the Regents authorized her employment at the May meeting of the Board. She will do stenographic work and assist with the details in the treasurer's office.

Some Cottages News

SYNOD'S

Dear Folks,

How are you getting along? We are having a big time going in swimming and playing ball.

Lots of our boys have gone on vacations and most of them are back.

Fred Cole has a new nickname, "Tubbie."

We sure are having lots of rain.

We have been having a play every Friday night. Everybody be sure and come see them. Fred Cole is the manager of the plays.

Bobbie Allen moved from the Baby Cottage, and now stays at Synod's.

John Ammons' people sent him and his brother some jack-rocks and a water ball. They say that they sure enjoy playing with them.

Miss Taylor has gone on a vacation and won't be back till school starts.

Lacy McCormick is going home to stay soon.

We'll have to end now.

—Herman Blue
—Fred Cole

ANNIE LOUISE

Hello Folks,

Here it is time to write you again when it seems only a short time since we wrote you last.

Vacation time is just about over and school is around the corner. We surely will be glad when it begins.

We want to thank Mr. Sams for inviting us to see "Judge Hardy's Children," not long ago. We enjoyed it very much.

We are glad to have Dr. L. E. Buie, the state dentist, back with us again. He did not find very much work to do for us Annie Louise girls and told us that we were taking good care of our teeth. He has given each one of us several pieces of chewing gum.

One of our girls, Betty Lou Davis, went to Connecticut, last week, to spend a month. We know she will have a lovely time.

Our minister, Mr. Cook, and his family are at Montreat. We enjoy Mr. Cook's sermons very much.

We are having lots of peaches, grapes, and cantaloupes now.

Good-by until next time.

—Martha Price
—Janie Smith

RUMPLE HALL

Hello Friends,

It has been a long time since we wrote to you last, so we might have a lot to say.

Our matron, Miss Mildred Stevenson, has gone on a vacation. She is spending three weeks at Duke University in Durham. Miss Sadie Eudy, one of the older girls that has already graduated, is our matron.

We have five girls on a vacation now. They are Betty Whittle, Annie Sue Wilson, Joyce Weeks, Lula Bell and Leona Hall. Twe of our girls, May Lynn Jones and Juanita McMasters, came back last week. Juanita was in an accident in Greensboro but she did not get hurt except for a few scratches on her hands and arm.

All of our girls have been to camp except about seven and they are all looking foward to going on August 15th. We hope they have as good a time as we did the 11th through the 23rd of July. We voted for the best campers. The girl from Rumple Hall who won the week of the 11th was Louise Everett and the one who won the week of the 18th was Bertha Lee Broome.

Bertha Lee Broome's sister came to see her Sunday from Charlotte. We know Bertha was glad to see her.

We thank Mr. Sams for inviting us to see "Judge Hardy's Children."

Now you've read it all from Rumple Hall.

—May Lynn Jones
—Louise Everett

ALEXANDER

Hello Everyone,

How is everyone these days? We are all well and having a good time.

Some of the boys went to the Camp about two weeks ago and they had a very nice time.

Some of the boys are on their vacation and they have not come back. We miss them very much.

Miss Reid has gone on her vacation and we hope she has a happy time.

We have been getting fruit about every day and we get full and that goes for all of us.

We will be seeing you.

Good-by. We'll write next time.

LEES COTTAGE

Howdy Folks!

If you would visit Lees Cottage right now you would see us in the midst of getting ourselves "slicked up" with a remodeling job on the building. All of the first floor has been plastered and painted, so we feel as dressed up as if we had a new house. Of course the bathroom is no place to visit, but when you come to see us we will have to show you our pride and joy - a two-tone green bathroom. We will have the snappiest bathroom on the campus!

Right now our matron, Miss Mary Turner, is at Duke University taking a special orphanage course. She will be away for three weeks. During her absence Miss Ann Fayssoux Johnston is taking her place. Miss Stevenson and Miss Turner are the two Barium workers who are taking the course at Duke. Mr. Johnston will deliver some lectures at Duke while they are there. Barium is well represented,

It makes us dizzy to try to keep up with the vacations of our boys. Mott Price, Cecil Starling, William Allen, Herbert McMasters, Bobbie Whittle, and Pleas Norman have just come back to the campus from their vacations. The McCall twins, Jack Weeks O. D. Munday, Marshall Norris, Ben Lewis, Ray Lewis and James Porter are away right now.

Joe Ben Gibbs, Billie Lindsey, David Burney, Jimmie Dorton, and James Porter have moved to Dennie Gilmer Cottage.

Junior May, Wilber Coats, Stanley Smith, Amos Hardy and Bennett Baldwin have just moved into our cottage from Synod's Cottage.

Ralph Wall and Bryan Whitley have left the Orphanage. Snyder Reed and Paul Reed (not brothers, but great pals) are the new boys in our building. The crowd is always changing, but we never seem to run out of boys!

We are proud of so many of our boys being voted good campers at the last two camps. We hope you will review the camp honor roll again and see how many of our boys are on the list.

We are having a big supply of grapes, peaches, and cantaloupes these days.

The swimming pool is a popular place, too!

Some of our boys play tennis when it is not raining.

We will close now for one more month.

—William Allen
—Roscoe Twombly

TRUCK FARM

Hello Everone,

Gathering time. Truck farm speaking.

Most of our crops are already made, except our late cantaloupes, late tomatoes and peas.

Most of our boys are back from their vacations. All of us had a wonderful time during our week at Camp Fellowship.

Our Irish potato crop this year was around 550 bushels. Our cantaloupe crop isn't going to be what we expected, due to so much rain, then hot spells, and the worms.

We are gathering corn, okra, beans, cantaloupes and tomatoes these days. Most of our tomatoes now are being used for canning purposes and tomato juice.

We also had a large onion crop this year, and our peanuts are stepping out after our replanting them.

Brian Whitley and Ralph Wall, two truck farmers, have gone home to stay.

Only a month 'til school starts and most of us will be glad to start back, because then football is here once more.

All of the ones who didn't get a vacation are looking foward to the camping trip starting August 22nd.

Well, folks, we will close now. Waiting to write you in another month and wishing you all luck,

—The Truck Farm Crew.

WOMEN'S BUILDING

Dear Audience.

We, "The Women's Building Girls," come to let you know how really excited we are. Girls are coming from their vacations and some haven't gone yet. Thelma Robards is on her vacation now.

We are having plenty of peaches and some grapes. Also some apples, if we go to the free orchard after them.

Guess what folks! Camp week is slipping up on us and before long we will be saying, oh boy!, tomorrow is camp. You see it is not long.

Some of our girls who didn't get a vacation are working in the canning house.

Miss Adams, our matron, went to visit her friends for a week in Statesville and Miss Anita Ghigo was a good substitute. We liked her very much.

Must say good-bye.

—Mary Parks Allen

HOWARD COTTAGE

We are enjoying the swimming pool these hot days.

Several of our girls are out on vacations now and some have returned.

We are enjoying the nice peaches and grapes we are having now.

We appreciate Mr. Sams' invitation to see "Judge Hardy's Children" at the Playhouse. It was a very good picture show.

The State Dentist, Dr. Buie, is here this week looking after the children's teeth.

Miss Woods returned from her vacation and we are glad to have her back with us again.

—The Bean Stringers

INFIRMARY

Howdy Folks,

We're writing the Infirmary news to tell you how we are getting along.

We have been having funny weather around here lately. It's been real hot one day and then the next it will be cool and raining.

Most everybody here has been on their vacation or are going next week.

Miss Beatty Lackey enjoyed a week at Hiddenite with friends and relatives.

Mrs. McNatt has returned from a visit to New York. She visited some of the larger hospitals while there. She also saw Corrigan, "the backward flyer," who flew to Ireland by mistake. Mrs. McNatt's daughter, Mrs. C. A. Marsh, was here with us substituting for her mother. We enjoyed having her very much.

Lilly McDonald returned Saturday from her vacation to Laurinburg and Rockingham.

Nancy and Jimmy Stafford are visiting their mother in Winston-Salem.

Sadie Mills is on her vacation at Salisbury.

We are delighted to have Mr. and Mrs. Harry Barkley on the campus, and especially here at the Infirmary. Mr. Barkley will be one of our faculty members and assistant football coach. He is now away at E. C. T. C. at Boone for several days. He is attending the coaching school.

Dr. Buie, the dentist, is here now so our cottage is quite popular. We all think much of Dr. Buie. Some of the children here call him "Uncle". Lots of us can hardly wait for our time to go see him and get our chewing gum.

Charles McNatt is visiting his mother. He received his degree from the University of North Carolina and will teach school this fall at Gray's Creek High School near Fayetteville.

I was on the last Barium camping trip which was quite a success. We enjoyed it in every way in spite of the rain and wet weather. We are quite sure that we will have pleasant memories of it always.

Geraldine Blue and Lilly McDonald are looking forward to the camping trip beginning August 15th. That will take most of our family away from down here.

Billy Brock has been on his vacation with his aunt and uncle at Tar Heel, N. C.

We are sure having plenty of fruit and cantaloupes this year.

School days are just around the proverbial corner and we are all looking forward to another year with our teachers and classmates.

So long until next month.

—Billy Brock

FARM NEWS

For the past few weeks we have had so much rain that the work on the farm has been mostly odd jobs such as campus work, repair all machinery and between showers we managed to get up a few loads of hay.

We have a very good corn crop this year and an abundant hay crop. In fact, we have so much hay, that we have not enough room to store it and have bailed almost 400 bales of it for winter. This bailed hay will be stored in our straw storage, where it will be saved for a lean hay year.

We expect to make around 350 tons of alfalfa and about 125 tons of lespedeza this year.

Back to corn, we could say it is good and had a good yield. Our plans to harvest corn this year have been changed from heretofore. The custom has been to shred the corn and use the roughness for feed and bedding, but since we didn't have the room, the corn will be pulled in the fields, hauled to the barn and shucked with the shredder. We expect about 1800 bushels.

There is a newcomer to the farm lately. A most pleasant and very beautiful mare mule colt. We named her Dinah. Dan and Daisy, the two horse colts were two years old this past spring, and are working fine. Dan weighs 1,580 pounds and Daisy weighs 1,560 pounds. We hope to have a picture of all three of the colts in The Messenger soon.

When any of our friends and readers visit Barium, don't forget to look over the farm. We are always glad to have you come.

vice, he worked on a number of southern newspapers with the exception of 18 months when he was executive secretary to the mayor of Atlanta, Ga. He came to Washington as a newspaper correspondent and was a member of the House and Senate press galleries and the White House Correspondents' Association until the advent of the Roosevelt administration, when he entered the Post Office department as executive assistant to Postmaster General James A. Farley.

"Advancing quickly to the position of second assistant postmaster general, Mr. Branch was the Post Office department's representative on the interdepartmental committee which recommended formulation of the Civil Areonautics authority. * * * "

The above newspaper dispatch from the Washington (D. C.) branch of The Charlotte Observer will be of particular interest to those alumni of Barium Springs who were here shortly after the establishment of the Home at its present locality. Mr. Harllee Branch was the 87th child accepted into the Orphanage, entering the Home on October 22, 1893, from Morven. He was the 61st to leave. When he became 16 years of age three years later he left Barium and obtained work with the Statesville Cotton Mills, later becoming employed by The Statesville Daily. It was customary in the early days of the Home for boys and girls to leave the Orphanage when they became 16 years old.

In the spring, Mr. Branch accompanied Postmaster General James A. Farley on a tour through North Carolina. A stop was made at the postoffice at Barium. Mr. Branch remarked about his residence here and that he had lived at Synod's Cottage. There were only two cottages at the Orphanage then - Synod's and Annie Louise - both of which had been built in 1892 - the year before Mr. Branch was accepted into the Home.

James F. Reynolds, a Barium alumnus of the Class of 1903, has been elevated to the post of managing editor of The Greensboro Daily News and The Greensboro Daily Record. Mr. Reynolds has been city editor of The Greensboro Daily News for some time. His start in the newspaper world was obtained at the printing office at the Orphanage here.

Rev. John A. Carriker, a Barium graduate of 1911 and pastor of a Presbyterian Church at Marion, Ohio, spoke from the pulpit of Little Joe's Church here on Sunday, August 14th. Rev. Mr. Carriker was one of the 1938 Commencement speakers. He is spending a month's vacation in North Carolina, and accepted the invitation to preach here one Sunday while the regular pastor was taking his vacation.

Lieut. Bruce Parcell, who was graduated from Davidson College in June, has been assigned by the War Department to Fort Moultrie, S. C.

Miss Lorena Clark is going to teach at Conway, N. C. during the coming scholastic year. Miss Clark taught at Celeste Henkel last session. She has been at Barium for a part of this summer, doing substitute matron's work.

Thompson-Stone Wedding

From The Statesville Daily.

"The Little Joe's Presbyterian church at Barium Springs was scene of a pretty marriage Friday morning, July 15th, at 10 o'clock when Miss Velma Bernice Stone was wed to Charles Willard Thompson.

"Ferns were grouped around the pulpit of the church and baskets of Queen Anne's Lace, arranged among the ferns, formed a background for the service. Rev. Tom C. Cook, Pastor of Little Joe's church, was the officiating minister.

"The bride was attended by her sister, Miss Joy Stone, as the maid-of-honor. The ushers were Messrs. Charles Gallyon, of Statesville, and David Flowers, of Barium Springs.

"Just before the entrance of the bridal party Miss Lugene White, of Barium Springs, Pianist, played 'The Rosary,' and 'I Love You Truly.' During the ceremony MacDowell's 'To A Wild Rose' was played softly. The bridal chorus from Lohengrin, Wagner, was the processional and the Mendelssohn wedding march was played as the wedding party left the church.

"The bride and bridegroom entered together. They were preceded by the maid-of-honor and by the ushers who entered the church from opposite aisles.

"The young bride wore navy sheer. The dress made on simple lines, had cuffs and a collar of white lace and a panel of white lace trimmed the front. Her hat was a white turban with short veil, and other accessories were white. She wore a shoulder spray of gardenias and valley lilies.

"The maid-of-honor was in steel gray crepe, with gray lace yoke; and navy blue hat and shoes. Her flowers were pink roses. Miss White wore aqua flowered voile,

S. S. Meals

The Sunday Schools of North Carolina contributed $1,547.98 to the Orphanage in the month of July. That was slightly more than was given in July, 1937, but the gain last month was not sufficient to overcome some decreases noticed in the Sunday School gifts earlier in the year. At present, the Sunday Schools have given $125.13 less than they sent to Barium in the first four months of 1937-1938.

Six Sunday Schools have already made the $100.00 Club, with Albemarle leading all others with $147.03 contributed. The other five $100.00 Sunday Schools are Concord First, $145.96; Winston-Salem First, $136.83; Tenth Avenue, $122.23; Salisbury First, $120.00, and Burlington First, $117.46.

With ten cents per meal per child as a basis, the following meals could have been served at Barium by the Sunday School Offerings during the past 28 months:

Mrs. R. E. Tysor, the former Marguerite Jordan, of Greensboro, was a week-end visitor to Barium Springs during the month of July. Mrs. Tysor finished at Barium in 1917.

Mrs. Wm. C. McKinley, formerly Louise Wilson, of Kannapolis, dropped by the office for a few minutes in July. She had the particular mission to perform of bringing an allotment of goods which had been contributed by the Kannapolis Auxiliary, of which she is a member.

Miss Hazel Miller, who finished at Barium in 1938, spent a few days at the Orphanage in July. She is temporarily staying with her sister, Mrs. Nettie Miller Clarke, near Eufola. Hazel expects to enter the Presbyterian Hospital in Charlotte in September to start her course in nurse's training.

Income Distribution

Four months have gone by, and a total of $9,643.63 has been sent by the Synod of North Carolina to the Presbyterian Orphans' Home at Barium Springs. Almost half of the aggregate, $4,768.49, has come through the Sunday School Offerings; $3,216.42 has been apportioned to this Home by Church budgets, and the Auxiliaries have contributed $1,658.72. On a percentage basis, this is 49.4% from the Sunday Schools, 33.4% from Church budgets and 17.2% from the Auxiliaries.

Mecklenburg Presbytery leads in the amount that has been sent through Church budgets, with $1,171.33 from that source (some of that sum is the payment of 1937 Thanksgiving pledges); $888.80 has come from the Sunday Schools in Fayetteville Presbytery, to give the latter the lead in that department, and Auxiliaries in Orange Presbytery lead with $386.90.

Distributed according to organizations in each Presbytery is the following tabulations of regular gifts to Barium Springs in the first four months of the 1938-1939 year:

Presbytery	Ch.	S.S.	Aux.
Albe.	$ 80.40	$ 338.32	$ 256.40
Con.	576.22	796.96	167.08

DUKE SUMMER SCHOOL FOR FOR ORPHANAGE WORKERS

The Duke Summer School for Orphanage workers is holding its second annual session, and Miss Marv Turner and Miss Mildred Stevenson have been students there this year. About 40 are enrolled in this class, membership extending from Florida and Alabama clear to New York, with the majority of the enrollment from North and South Carolina. The majority of the lectures have been made by the Duke faculty. Other lectures have been made by several of the Orphanage superintendents: Mr. Woosley, Mr. Proctor, and Mr. Johnston. Mr. Shuford and Mr. Greer, other Orphanage superintendents, have been in charge of the school.

1938 FOOTBALL SEASON

(Continued From Page One)

Greensboro at Greensboro.

On November 11th, Barium will break the Armistice with Hickory. This game will be played at Barium. November 19th will be Homecoming Day. This naturally will be at Barium and the foe will be Albemarle. On November 25th, the day after Thanksgiving, the final fracas of the season will be played; Concord the foe, Barium the place.

Take a look at this schedule: Barium meets the six best elevens in the South Piedmont Conference, four Class A opponents, and one of the strongest teams in the Western Conference. It looks like a busy fall for everybody and we predict a happy one. Every one of these teams are good outfits. Sometimes they beat Barium, sometimes Barium beats them, but win or lose, they still stay friends.

We wish we could give you the 100-pound schedule, but this is not arranged until September. The majority of the games will be with other Orphanages. Last year this 100-pound team played Children's Home, Junior Order, Oxford, two games apiece and one game each with Raleigh Methodist Orphanage and Catholic Orphanage, and two games with Statesville. The 125-pound team hopes to have a fuller schedule than it has had for the last two years. There's talk of Charlotte and her neighbors getting up some midget teams, and in that event, look out for the varsity lightweights. They will inherit most of the talent of last year's 100-pound teams, and that means trouble for somebody.

Listen for the band; it will soon be playing "Happy Days Are Here Again!"

Barium's varsity schedule follows:

September 16—Morganton at Morganton (night).

September 22—Charlotte at Charlotte (night).

September 30—Salisbury at Salisbury.

October 7—Children's Home at Barium.

October 14—Lexington at Lexington.

October 21—Kannapolis at Barium.

October 28—Gastonia at Gastonia (night).

November 4—Greensboro at Greensboro.

November 11—Hickory at Barium.

November 19—Albemarle at Barium (Home-Coming Day).

November 25—Concord at Barium.

Father: I don't think there is any such place, son.

Tommy: There must be, Daddy. This paper says an explosion blew two men to Atoms.

CAMP FELLOWSHIP NOTES

Since the July issue of The Messenger was printed, two other contingents of Barium boys and girls have enjoyed the delights of Camp Fellowship on the Catawba River - a summer camp that was made possible by the Men's Fellowship Club of the Charlotte Second Church, and friends in Statesville and elsewhere.

In addition to these two Barium groups, approximately 300 children of the Baptist Orphanage of Thomasville were at the camp from July 25th through August 6th, and a delegation from Children's Home, Methodist Orphanage at Winston-Salem, was encamped from August 8th through 13th. The Baptist children came in relays of about 85 children every three days.

The Barium boys and girls decide who are the best and next best campers among each group, and others getting votes are honorably mentioned. Results of the two camps follows.

July 11th-16th.

First: Girls, Louise Everett and Nancy Stafford (tie); boys, William Smith.

Second best: Girls, Virginia Cranfill and Doris Gantt (tie); boys, John Ellis and John Cole McCrimmon (tie).

Honorable mention: Girls, Beulah Baldwin, Peggy Lou Buie, Juanita McMasters, Peggy Neel, Louise Russell; boys, Gastone Alessandrini, Robert Brown, Paul Horne, Ray Lewis and Wallace Twombly.

July 18th-23rd.

Best campers: Boys, Arthur Roach and Alexander Edwards (tie); girls, Bertha Lee Broome and Mary Ann Ryder (tie).

Second best: Boys, Ed Cole; girls, Lilly Bryant and Peggy Neel, (tie).

Honorable mention: Boys, Billy Brock, David Flowers, Pleas Norman, Walter Zeigler, J. D. Beshears; girls, Louise Brock, Agnes Coppedge, Marjorie Lail, Helen Moore, Elizabeth Robards.

No. Organizations

Through July 31st a total of 433 organizations in the Synod of North Carolina had had a part in the regular assistance that had come to the Presbyterian Orphans' Home in this Synod. Sunday Schools were predominantly ahead in the number of organizations reporting, with 210 of them having filed regular donations. Churches were second with 145 budgets sending sums, and 78 of the almost 400 Auxiliaries in the Synod had forwarded donations.

According to organizations in each Presbytery, the following is the distribution of the units helping:

Presbytery	Ch.	S. S.	Aux.
Albemarle	6	18	12
Concord	33	28	7
Fayetteville	9	42	11
Granville	14	10	7
K. Mountain	10	19	8
Mecklenburg	12	30	9
Orange	30	28	12
Wilmington	15	27	6
W.-Salem	16	8	6
Total	145	210	78

RECEIPTS LAST MONTH TUMBLED AGAIN

	July Receipts	Am't. Received Per Mem.	Total Per Mem. for Year
Winston-Salem	$ 284.30	5.7c	15.4c
Albemarle	200.75	4.5c	15.3c
Mecklenburg	689.44	3.8c	12.7c
Concord	549.79	4.6c	12.4c
Orange	201.51	1.7c	11.6c
Kings Mountain	268.96	4.7c	11.4c
Fayetteville	519.22	4 c	9.4c
Wilmington	371.95	4.6c	8.7c
Granville	146.58	2.4c	6.3c
Synod	$ 3232.50	3.8c	11.4c

It is greatly regretted that the giving of the Synod of North Carolina to the Orphanage in July was of such a nature to lead to this announcement: Synod on July 31, 1938 was $120.54 behind its giving to the Home on the corresponding date a year ago.

The net difference between the totals for July of both years was $177.24. You will recall, though, that Synod's donations were on the positive side on June 30th, to the tune of $56.70. This whittled down that loss to that extent, and made the difference in the first four months a minus sum of $120.54.

However, it is confidently believed at Barium Springs that a positive figure will be possible when the monthly table of receipts is prepared on August 31, 1938. The income from Synod in August, 1937, was $2,373.60. Surely Synod will give more than that in the current month.

Winston-Salem Presbytery barely nosed out Albemarle Presbytery for per capita leadership in July, and holds first place because the former Presbytery has given one-tenth of a cent more than the latter. Mecklenburg's performance in July was responsible for it advancing to third place - a position that Orange occupied in June. Orange, though, slipped back to fifth berth, with Concord being in fourth place. The other Presbyteries' standing remaining unaltered.

Compared with the standing a year ago there is a considerable shakeup with the exception of Winston-Salem, Albemarle and Wilmington Presbyteries. The following shows the comparative ranking:

Pres.	Yr. Ago	Last Mo.	Today
W.-Salem	1st	2nd	1st
Albe.	2nd	1st	2nd
Meck.	6th	4th	3rd
Concord	3rd	5th	4th
Orange	5th	3rd	5th
K. Mtn.	4th	6th	6th
Faye.	9th	7th	7th
Wil.	8th	8th	8th
Gran.	7th	9th	9th

During April, May, June and July, the Synod averaged 11.4 cents per member to the Orphanage (by the way, this is the first month that the memberships listed in the 1938 Minutes of the General Assembly have been used). The minimum needed in those four months was 40 cents per Presbyterian in the Synod. That's 29.6 cents less per Presbytery, and when you multiply that by the 84,582 Presbyterians now in the Synod of North Carolina you'll find the figure to be $25,037.17. For the next few months the average will continue to be less than needed; hence, the reason that the Orphanage has to depend upon the Thanksgiving Offering for one-half of its income.

Of Synod's 11.4 cents average for the first one-third of 1938-1939, one Presbytery, Kings Mountain, has that exact average for its members while Orange, Concord, Mecklenburg, Albemarle and Winston-Salem have been above Synod's average. This leaves Fayetteville, Wilmington and Granville Presbytery behind the current mean for the Synod.

CHANGES IN STAFF

(Continued From Page One)

place possibly we should mention the carpenter and head repair man, John Wesley Ervin. He came to us about a year ago. Mr. Bob Nesbitt had been doing the repair work for quite some time, and left us and was succeeded by Mr. Ervin, who came to work right at the time when a lot of repair work was going on. The repair of Mr. Lowrance's house fell to him, and then during the winter and spring, the plans for the building of the camp out on the river fell to his lot. The lion's share of the credit for the fine success of the camp belongs to Mr. Ervin and his crew.

In the school there are several changes. Mrs. Holton has retired from the seventh grade, and her work will be taken up by Mr. Harry Barkley, long-time neighbor of Barium. He came straight from Erskine College to Troutman, where he taught for a number of years, and then for several years was at Scotts. He has been many times at Barium; as a visitor, as a competitor, and sometimes as an official in our football games. We are glad for both Mr. and Mrs. Barkley to move in and belong to our family.

Old man Cupid stepped up and caused a vacancy in our faculty by taking our nice Home Economics teacher, Miss Vivian Hilton, away from us, after her first year here. We can't blame Cupid nor his accomplice because we know Miss Hilton will be just as grand a success as a wife (we almost said as a head of a family) as she was a Home Economics teacher at Barium. We miss her lots but can only wish her success and happiness. Her place will be taken by Miss Helen John Wright of Charlotte. Miss Wright is a graduate of Queens-Chicora and has taught at Marion, N. C. She was also dietitian at St. Peter's Hospital for several summers. While at college she was president of the Home Economics Club and a member of the leadership fraternity. We are all loking forward with lively anticipation to know this newest member of our faculty. Everybody seems to be working up enthusiasm for the school; it won't be long now when we will take off for the 1938-1939 session, which we believe is going to be the best ever.

Why ought a fisherman to make a lot of money?

Because his business is all "net" profit.

—P. O. H.—

Old lady (visiting state prison): I suppose, my poor man, it was poverty brought you here.

Counterfeiter: On the contrary, mum, I was just coining money.

—P. O. H.—

What is horse sense? Some one has said it is stable thinking.

—P. O. H.—

A teacher, trying to impress upon her pupils the virtue of kindness to all animals, took them for a walk to bring the lesson home to them. Hearing a cry from little Johnny, she asked, "What's the matter, Johnny?"

"I've been sitting on a hornet," was the tearful reply, "and I'm afraid I've hurt the poor thing."

—P. O. H.—

Small Brother: Mr. Golden, are you a baseball player?

Mr. Golden: No, Willie, I'm not. I know very little about the game.

Willie: Then why did Sis tell Ma that you were a good catch?

An old country couple, having their first bus ride in London, became rather uneasy on hearing the conductor call out St. James and St. John. The old chap grew very fidgety, saying to his wife, "Isn't it time we got out, dear?"

"Don't show your ignorance, Harry," she said. "Wait 'til yer name's called."

Visitor: These biscuits are lovely, Mrs. Smith. I don't know how many I've had.

Little Tommy: You've had seven.

—P. O. H.—

Bowled: I understand Senator Green wanted you to act as his private secretary.

Simmons: He did, but I simply couldn't accept the position, because I would have to sign everything Green per Simmons.

Rev. T. C. Cook Narrowly Escapes Serious Injury

Rev. T. C. Cook, pastor of Little Joe's Church at Barium Springs, suffered head abrasions and other minor injuries in July when his car turned over when he was returning to his home here after conducting vesper services at Camp Fellowship on the Catawba River. Mr. Cook's car rounded a sharp curve and went over an embankment, turning over and landing against a small sapling. Had it not been for the latter which impeded the progress of the car, the machine would have turned over several times, because it was a deep ravine on that side of the road.

Four stitches were necessary for a scalp wound, but X-rays revealed no broken bones. For ten days, though, Mr. Cook suffered severe periods of pain from the shakeup that he had received and was also subject to spells of dizziness. No one was in the car with Mr. Cook.

The Barium pastor and his family are spending the month of August at Montreat.

MY ALMA MATER

It's nice to turn back and look
To the days that you left your old school books,
And it's nice to look back and yearn,
To sing the song I never learned,
My Alma Mater.

And now I try to sing that song,
But I always get it wrong,
But something in me seems to say,
You ought to have learned that last school day
The words to my Alma Mater.

And how I try to sing it well,
While I still hear the old school bell,
And then I try to sing that song,
My Ama Mater.

Some day to Barium I will return,
And that song, that song I'll learn.
I'll thank Barium for that song,
That song I'll hope to never sing wrong, that song;
My Alma Mater.

Wife: Any fashions in that paper, Jack?

Jack: Yes, but they're no use to you, dear. It's yesterday's paper.

—P. O. H.—

School over, Albert reached home, bearing evident signs of having been fighting.

"Come here, Albert," said his mother, sternly. "Now tell me how did you that black eye?"

"I was protecting a little boy," said Albert. All the wrath left his mother, who patted him on the saying, "That's a good boy; so noble of you. Who was the little boy?"

"Me," said Albert.
